Oversight Hearing to Assess International Counternarcotics Policies

Washington D.C. – Chairman Dennis Kucinich (D-OH) today announced a Domestic Policy Subcommittee hearing entitled “International Counternarcotics Policies: Do They Reduce Domestic Consumption or Advance other Foreign Policy Goals.” The hearing will be held at 10:00 a.m. on Wednesday, July 21, 2010 in room 2247 Rayburn House Office Building.

The hearing will evaluate the cost-effectiveness and level of success international supply reduction strategies have achieved in reducing the availability of illicit drugs in the United States, as well as other performance measurements that may be relevant to U.S. drug policy.

This hearing is held as part of the Domestic Policy Subcommittee’s mandate as the authorizing committee for the Office of National Drug Control Policy in the House of Representatives.
